On a shore-side collecting trip

2015

Come collecting with the aquarium staff and interns

Sign up at the
window in the
lobby!

Tuesday, July 14	12:00 pm
Wednesday, July 15	12:30 pm
Friday, July 17	2:00 pm
Tuesday, July 28	10:30 am
Thursday, July 30	12:30 pm

Children younger than 14 must be accompanied by an adult

WHSA Collecting Walk

Meet in your car beside the aquarium, in the parking lot by the town dock

Plan to arrive ten minutes before the walk is scheduled to start; start to finish plan on 90 minutes

Wear clothes you can get wet – shorts and tee shirts or a bathing suit

Wear water shoes if you have them (the site can be rough on the feet)

We will meet at the aquarium, give directions, and caravan to the collecting site

You must provide your own transportation to the site

We provide beach parking passes at the collecting site

We provide nets, buckets, and expertise

A WHSA staff naturalist will lead the walk and identify animals you collect

If we find animals we need, we will bring them back to be added to the collection

Other animals will be identified, observed, and released

If you sign up and then realize you can't make it, PLEASE call so we can open up the spot for someone else.

Questions: ask to speak with an intern or George, or call 508-495-2267
