

OPEN HOUSE

James J. Howard Marine Sciences Laboratory
Sunday, May 17, 2015
11am to 3 pm

Visit the Laboratory to learn about its latest research, meet its scientists, and view exciting exhibits. Our Open House will showcase:

- An aquarium of 32,000 gallons
- Scientific posters and displays
- Live fish and sea creatures
- Interactive and educational games
- Research vessels
- NOAA program representatives
